Proceedings of the District Committee, constituted to examine the financial position of the District and Taluk Boards

(as per G.O. No. 2043, L. and M. dated 17-9-1923) held on the 12th November 1923

Present

,, C.K. Ramaswamy Goundar Avgl., ,, ,, Gobichetti-- -- polayam.

,, V.C. Palanisamy Goundar Avgl., President, Taluk Board, Coimbatore.

Kollegal Taluk Board Normal Budget:--

Budget prepared by the President, Taluk Board, shows a deficit of Rs. 26,395/-.

The following deductions are possible:--

(1) Member's Travelling Allowance.	Rs. 600/-
(2) Interest on loan	Rs. 650/-
(3) Pay of Assistant, Surgeon	Rs. 4000/-
(4) Market staff	Rs. 180/-
	Rs. 5,430/-.

Possible additions to income:---

Education cess at 3 pies	Rs. 2,200/-
Contribution from Government	Rs. 2,000/-
Increase of School fees	Rs. 2,000/-
	Rs. 6,400/-

Leaving a deficit of Rs. 26,395 - 11,830 Rs. 14,565 or in round figures 15,000/-. The District Board should contribute at least Rs. 15,000/-per annum, the amount actually required to be fixed at time of passing annual Budget.

2. The President, Taluk Board, Kollegal, wants a

larger contribution to give some scope for development in Irrigation.

He suggests Rs. 18,000/- as a minimum.

District Board Budget:--

The Committee is of opinion that the existing deficit of the Kollegal Taluk Board should be paid off from the Railway Fund balance as directed in G.O. No. 1901, L.and M., dated 7-9-23 and that the District Board Resolution No. 291 dated 29-9-23 which is opposite to the orders contained in the above G.O. should be re-considered. The District Board should contribute a sum of about Rs. 18,000/- to --- Rs. 20,000/- per annum to the Kollegal Taluk Board as the Taluk Board can not be made self-supporting. This should be met from Railway Profits.

The other Taluk Boards can support themselves and should not be allowed to exceed their income under any circumstances. If they wish to undertake special works they should meet the cost by obtaining a grant or loan ~~providing~~ previously.

Sir,

Reference:- Government Memorandum. No. 1557-A-1, dated the 24th April 1924.

I have the honour to state that the Education tax was proposed to be levied by the Financial District Committee constituted in G.O. No. 2043 L & M, dated 17-9-1923, for the purpose of relieving the Taluk Board from its financial embarassments. The Taluk Board accordingly sanctioned the levy of the tax. The amount of this tax would roughly come to Rs 2200/- and the Government contribution under section 37 of the Elementary Education Act would be an equal amount and therefore the Taluk Board would get a receipt of Rs 4400/-

2. The Taluk Board Budget shows a deficit of about

Secretary to the Committee (Copy not available in Records)

about Rs 25000/- and the District Committee, above referred to, recommended to the District Board to contribute Rs 20000 - and resolved that the remaining amount should be met from the Education tax of Rs 4400/-

3. The Taluk Board has no objection to spend the collections of Education tax for the expansion of Elementary Education; if the District Board or the Government contribute an equal amount in the shape of compassionate grant.

tax shall generally be levied with effect from the commencement of the year following that in which Sanction is accorded. In accordance with this advice it is proposed in the draft to sanction the levy of the tax from 1st

2. In para 3 on p7 Cf. the Bd States that it has no objection to spend the proceeds of the tax on the expansion of Govt education if the Govt contribute an equal amount in the shape of Compensatory grant. This does not seem to be a definite undertaking to continue the usual contributions hence in the draft the sanction is accorded subject to the condition that the contribution is made.
